Here we go, we go again
dreaming of my only friend yeah
i got no reason to pretend
i will love you till the end

It feels so good,
loving you it feels so good
it feels so right
having you by my side

It feels so good,
loving you it feels so good
it feels so right
having you by my side

No more hiding from the sun
no more crying now i'm done
since the day that i found you
all my dreams are coming true

It feels so good,
loving you it feels so good
it feels so right
having you by my side

It feels so good,
loving you it feels so good
it feels so right
having you by my side
