Mishelle:

What's that feeling that I get?
My heart is drowning in regret,
Hands are shaking, eyes are of shame.
M-m-m...
Lost myself, but I don't care.
I'm going but I don't know where.
My feet are taking me away from you-u-u-u.

Chrous:

Only you...only you...
My beautiful dream, I loved you!
Only you...only you...
You gave me your heart...

Only you...only you...
My beautiful dream, I loved you!
Only you...only you...
You gave me your heart...

Randi:

I have no reason now to stay,
But I will think of you and pray
That you will find someone to love again... Ooh...
I'm leaving and I won't come back,

You'll find your way, you'll be alright!
...But promise me you won't forget my na-a-ame-ame...

Chrous:

Mishelle:
Only you...only you...
My beautiful dream, I loved you!
Only you...only you...
You gave me your heart...

Randi:

Only you...only you...
My beautiful dream, I loved you!
Only you...only you...
You gave me your heart...

Only you...only you...
My beautiful dream, I loved you!
Only you...only you...
You gave me your heart...

Only you...only you...
My beautiful dream, I loved you!
Only you...only you...
You gave me your heart...

...Gave me your heart.
...Gave me your heart.
