I found my memories in the end
You looked so beautiful
You were always smiling
And I never was so sad

I found your photos in the end
You looked so beautiful

And I thought to be strong
For the love that I got
I'd have never thought you're the one
And you told me I was wrong
But I don't care 'cause this is the end
And now that you are gone
I want to forget that sun
I used to watch only with you
So I think I'll be strong
I'll pretend I don't care it's the end

I sold my feelings in the end
I won't ever get'em back
You were always sad
And I never felt so bad

And I thought to be strong
For the love that I got
I'd have never thought you're the one
And you told me I was wrong
But I don't care 'cause this is the end
And now that you are gone
I want to forget that sun
I used to watch only with you
So I think I'll be strong
I'll pretend I don't care it's the end

And I thought to be strong
for the love that I got
I'd have never thought you're the one
And you told me I was wrong
But I don't care 'cause this is the end
And now that you are gone
I want you to forgive

me for all that
I've done
