

Vanilla Sky "Waiting Patiently"

Visit "[Waiting Patiently](#)" on MotoLyrics.com

Everything changes all across these years
Many days I ignored all your needs
Something I can't forgive myself for
Feels unfair

Thoughts and words going around my head
They're always taking my breath away
Am I a good son mom?
Please reply to me
Yeah to me

Here I am
Burning up
I'm on fire
Waiting patiently for your caress
Looking for
All the right words
Don't know what your life means to me

Something is changing and now I see
I've been so selfish for all these years
Want to give back all the love you gave
We still don't get along
Time is running short
(So short time)
Many things I have to say
(So short time)
Don't give up, I need a chance to change
(So short time)
Let me have the chance

Here I am
Burning up
I'm on fire
Waiting patiently for your caress
Looking for
All the right words
Don't know what your life means to me

I'm always praying as loud as I can
Harder than I've ever done
It seems like you would never reply to me

(Reply to me)

Here I am
Burning up
I'm on fire
Waiting patiently for your caress
Looking for
All the right words
Don't know what your life means to me
