

Swarm Of The Lotus

Explode into formation
All in a row
Ignite
Spark to the fuse on the floor
Detonate
Passage of time
Will show true colors
Flying high

Boom

Passion meets failure
Regret, waste of time
Begin to regress
Progress should be the focus
Why apathy
Relapse, it's not over
Mistake you will take
To your grave

Been fighting so long
Intentions are gone

Brave it alone, you'll have to

Shame
You have no shame

Sacrificed
All
Sacrificed
Time to crawl

When there's no excuse
Trust will always be lost

Revel in your regret
Tormented forever
Celebrate what could have been
Locked up in your chamber
Wallow in your misery

Wandering aimlessly

Downfall

It's all you've got now

Downfall

So don't fall

Downfall

Welcome the cross you'll bear

Explode

Rebirth

You're born once again

Only to find

You have no heart
