In the sounds of the sidestreet  
On the whisper of the night  
In the darkness of the empty hours  
To the early morning light  
On the hustle down on main street  
With all its lights so bright  
To the trucker on the highway  
Rushin' through the night

I can hear your heartbeat  
I can hear your heartbeat  
The sound of you is so sweet to me

I'm in a european disco  
And it's thumpin' out the beat  
There's a jukebox in a cafe  
Where the younger ones can meet  
We got freezin' coca cola  
We got anything you want  
Yeah I can feel the backbeat  
But it's you that sings this song

I can hear your heartbeat  
I can hear your heartbeat  
Girl the sound of you is so sweet to me

I've been sailin' on your wind song  
Oh I can feel the summer breeze  
You got me walkin' on my tiptoes  
You got me standin' on my knees

From the mills down in Pittsburgh  
To the clubs of gay Paris  
Oh no matter where I run girl  
You can always get to me

I can hear your heartbeat  
I can hear your heartbeat  
Girl the sound of you is so sweet to me
