YEAH! YEAH! YEAH! YEAH!

I need a man, I need him quick
I need his sperm, I need his dick
I do not need to be seduced
I just need to be reproduced

Hey! Hey! I go out, I go to a favourite club
Hey! Hey! And I meet my favourite stud
Hey! Hey! Mister Sexy take me for a ride
I need your semen right away
I need your semen to be multiplied

Come on honey! Come on honey!
Roll the dice! Roll the dice!
Come on honey! Come on honey!
Fertilize! Fertilize!

Now stick it in and fuck me good
We're gonna bring kids to the hood
Please make me big as a balloon
Please make me bigger than the moon

Hey! Hey! Come on loverking don't hesitate
Hey! Hey! Do your thing let's duplicate
Hey! Hey! Gonna form an army built of me
And there will be Miss Universes
fertilizing wherever you see

Come on honey! Come on honey!
Roll the dice! Roll the dice!
Come on honey! Come on honey!
Fertilize! Fertilize!

Hey Loverking! Come on!
Please do your thing! Come on!
