Lady put your foot down, draw the line

You're not a hack, you're not a couch
You're not a doormat someone can step on
You're not a baby, you're not a creature
You're not a steak someone can order
You are good, you are brave
You are smart, you are strong

Lady put your foot down, draw the line
Am I right or am I right?
Lady you gotta learn to fight

Lady put your foot down, draw the line
Lady put your foot down, draw the line

You're not a chicken, you're not a bird
You're not a doll someone can play with

Make up your mind, now lady draw the line
Make up your mind, now lady draw the line
Make up your mind, now lady draw the line
Make up your mind, now lady draw the line

Lady put your foot down, draw the line
Lady put your foot down, draw the line
Lady put your foot down, draw the line
