"alchemists, poets, scientists  
have learned what i don't know  
love is blind (and deaf and dumb)  
a dead weed cannot grow  
just let it go

you think you see the light inside  
but he is still the same  
the thug he was is the thug he is  
some things never change  
they never change

i tried  
to find a diamond in the rough  
i lied  
to myself but it wasn't enough

he was so uncouth, unkind  
i know i had been told  
now my eyes are open wide  
it's true  
you can't turn lead into gold

can't turn lead into gold  
no blood from a stone  
just leave it alone  
and watch your own

i tried  
to find a diamond in a pile of shit  
i lied  
to myself and i'm sick of it

a stitch in time could save my mind  
to learn before i'm old  
no matter how fucking hard you try  
you  
you can't turn lead into gold

you can't turn lead into gold "
