"crouched in a corner  
you patiently stalk me  
you watch in silence  
you wait for me

slinking through shadow  
you think that i don't know  
coiled and twitching  
the tension is maddening

wanting to claw me  
to leap out and maul me  
scratch me bite me  
love me fight me  
you fear yet adore me  
but still want to claw me

under the table  
behind a chair  
you watch me with your cold stare  
i am the mouse  
you prey upon me  
i got to hide from  
scary kitty

you're purring so sweetly  
whenever you greet me  
then without warning  
you're vicious and clawing

scratch me bite me  
love me fight me  
rip me tear me  
stalk me scare me  
bite me scratch me  
try to catch me

did you miss me?  
why won't you kiss me?  
did you miss me?  
won't you kiss me?

under the table  
behind a chair  
you watch me with your cold stare  
i am the mouse - i slink  
you prey upon me  
i got to hide from

scary kitty"
