Accumulate into one  
The second half has begun  
And I'm not the judge.  
Innocent are hung  
Remain unsung  
And I hold a grudge.  
Take a stab in the dark  
And then it comes as a shock  
Finger on the pulse.  
Everything that can  
Happens to the man;  
See the mannequin smile.

When I am running out  
I am running out.  
I am running out.

Switch the moon and the sun  
Shield and the gun  
Clip after clip.  
I'd love to stay and watch  
Make mine what you clutch;  
Empire slips.  
The weight is too much to hold  
Excuses old  
I realize.  
Everything that can  
Happens to the man  
See the mannequin smile.

You don't get it like I get it. (you don't get it) like I do.  
You don't get it like I get it. (you don't get it) like I do.

When I am running out  
I am running out.  
I am running out.

Empire slips.  
Excuses old  
I realize.  
Everything that can  
Happens to the man

See the mannequin smile.

When I am running out  
I am running out.  
I am running out.
