All of this here for me  
With nothing left to be  
Unwilling to succeed, my head up in the clouds  
I feel I left behind when I set out to find a new  
beginning  
But I feel I have betrayed you

Pre-chorus:

I'm changing, and I'm not coming back  
Distance yourself from me  
Once you stop infinity  
You had your chance and it passed

Chorus:

This is where it began, so this is where I am  
So much has changed and nothing's changed at all  
This is where it began, so this is where I am  
So much has changed and nothing's changed at all

Through the stress you undress  
You forgot how coming home all alone would have  
wrecked you  
He is not who you thought you had wanted  
But instead he is dead, resurrected  
I feel I left behind when I set out to find a new  
beginning,  
But I feel I betrayed you

Pre-chorus

Chorus

Another one born today, another one went away  
Another false hope today, another hope went away

Chorus

You told me to go  
But when I do, it's not good enough  
You told me to learn  
But when I try, it's too intrusive

Chorus (? x)

Another one born today, another one went away

Another false hope today, aanother hope went away
