Dhuan dhuan, dhuan dhuan
Dhuan dhuan, dhuan hi dhuan
Dhuan dhuan, dhuan dhuan
Dhuan dhuan, dhuan hi dhuan

Yeh saazishen dishaaon ki
Yeh saazishen hawaaon ki
Lahoo-luhaan ho gayi, zameen yeh devtaaon ki
Naa shankh ki sadaayen hain
Naa ab sada azaan ki
Nazar meri zameen ko, lagi hai aasmaan ki
Hai dar badar yeh log kyon, jale hain kyon makaan
Dhuan dhuan, dhuan dhuan
Dhuan dhuan, dhuan hi dhuan

Yeh kisne aag daal di, hai narm narm ghaas par
Likha hua hai zindagi, yahan har ek laash par
Yeh takht ki ladaai hai
Yeh kursiyon ki jung hai
Yeh begunaah khoon bhi, siyaasaton ka rang hai
Lakeer khench di gayi, dilon ke darmiyaan

Dhuan dhuan, dhuan dhuan
Dhuan dhuan, dhuan hi dhuan
Dhuan dhuan, dhuan dhuan
Dhuan dhuan, dhuan hi dhuan
