So ja chanda, raja so ja
Chal sapnon mein chal
Neend ki pariyaan pahenke aayi
Pairon mein paayal
Tujhko apne naram paron par lekar jaayengi
Sone ka ek des hai jiski sair karaayengi

Dharti se kuch door kahin saat samandar paar
Aakaashon ke beech hai sapnon ka sansaar
Voh zameen hai pyaar ki, vahan sirf pyaar hai
Mere chaand jaa vahan tera intezaar hai
So ja chanda, raja so ja
Chal sapnon mein chal
Neend ki pariyaan pahenke aayi
Pairon mein paayal

Jin pariyon ke husn par jannat ho qurbaan
Un pariyon ke des mein hoga tu mehmaan
Hai nayi kahaaniyaan jo tujhe sunaayengi
Tere saath naachengi, tere saath gaayengi
So ja chanda, raja so ja
Chal sapnon mein chal
Neend ki pariyaan pahenke aayi
Pairon mein paayal
Tujhko apne naram paron par lekar jaayengi
Sone ka ek des hai jiski sair karaayengi
