There is my father in zion high this day,
There I will be some day to come along,
In Mount Zion there is a place for I'n'I,
Cause in Mount Zion that's where we all will go.

And I will have fun and joy.
Trode around Mount zion and go around my father's
throne.
In Mount Zion thetas where we all will go.
In Mount Zion thetas where we have no fear.
And I will have fun and joy.
And we will have fun and joy.
