Missy May- Everything breaks

Nobody knows what Iâ€™m going through.  
Nobody looks behind the mask.  
Driven out of the sky, into oceans of ice  
Make fun of your face, no one will ask  
On a clear blue day, when I lost my way

Chorus:

Everytime I think of u  
Something inside my soul turns black and blue  
Everything hurts  
Everything burns  
Everything breaks

Everythingâ€™.

Solo: Piano and Cello

Look at the face that the mirror shows  
Finding my eyes are getting old  
Filled my hands gathered now  
As I no longer run  
Out of the dark into the cold  
And no clear blue sky  
Ever wonders why

Chorus:

Everytime I time I think of u  
Something inside my soul turns black and blue  
Everything hurts  
Everything burns  
Everything breaks

Everythingâ€™.

Break:

Nobody knows me

Like I wanna be known  
Nobody sees how

2 \*chorus

Oooooohhh  
Everything  
mmmâ€¦
