[Missy]

Now see, the one thing I like about the niggas  
Is that they can fess up to one of they boys  
That they been sleepin' wit' the same chick, and laugh  
about it  
But see, a woman, could never admit to another  
woman  
That she been sleepin' wit' her man  
Cuz if that ever happened to me  
I would call your house and be like, yo

Don't you gotta man  
Why you fuckin' wit' mine  
See, I been through bad times  
Get yo' mind off mines  
You must be lonely  
Why you messin' wit' me  
But it won't be easy  
To get my baby

[Missy & Lil' Mo]

1 - You don't know who you messin' with  
Most of them leave with they car doors bent  
I'm so pissed, you gon' make me flip  
I'mma teach you not to touch my shit
