I am a zombie
I have no skin or heart
I devour brains for art
I can't think for me

I am immortal
I hear it's the thing to be
'Cause I can't think for me
I'm not mortal

I am defenseless
I have no thoughts of my own
I am relentless
All I do is moan and groan

I am a zombie
I have no skin or heart
I devour brains for art
I can't think for me

I am a loner
I find myself out of place
It hurts to look at my face
I can't be cloned

I am defenseless
I have no thoughts of my own
I am relentless
All I do is moan and groan

I am a zombie
I have no skin or heart
I devour brains for art
I can't think for me
