I wanna be a mannequin
It's something that I wanna be
I wanna have you dress me up
And tell me who I wanna be

Let's get dressed up
Let's get messed up
Join the masquerade
Let's get dressed up
Let's get messed up
Join the masquerade

Dying on the dance floor underneath disco balls
Making 911 calls screaming I shot the moon
Dying on the dance floor choking on tears he cries
Tangled in vines of lies screaming I shot the moon

I wanna be a superstar
It's something that I wanna do
I wanna see my name in lights
And never mean a thing to you

Let's get dressed up
Let's get messed up
Join the masquerade
Let's get dressed up
Let's get messed up
Join the masquerade

Dying on the dance floor underneath disco balls
Making 911 calls screaming I shot the moon
Dying on the dance floor choking on tears he cries
Tangled in vines of lies screaming I shot the moon

Dying on the dance floor underneath disco balls
Making 911 calls screaming I shot the moon
Dying on the dance floor choking on tears he cries
Tangled in vines of lies screaming I shot the moon
