Now everybody's talkin'
Baby all over town
Everybody's talkin'
Baby all over town
Now everybody's talkin'
Baby all over town
I got to put you down
I got to put you down

Now my friends they tell me
About somethin' they seen
My friends they tell me
About somethin' they seen
They saw your face
Down to Anna Mae's place

You was with some other guy
He had a straw and a pipe
You was with some other guy
He had a straw and a pipe
He had a sleek Cadillac
He is gonna break your life

Four little children
No mama in the house
Four little children
No mama in the house
She's stayin' out all night
Broken buttons on her blouse

No food on the table
No food in the fridge
No food on the table
No food in the fridge
Just a straw and a pipe
That's where your mama is

(solo)

Just a straw and a pipe
Is gonna break your life

Oooh a straw and a pipe
Is gonna break your life
Just a sleek Cadillac
You know you can't get back

Mmmm... baby
Whoa... baby
Mmmm... baby
Mmm... baby
