### CHORUS

Thumbs Up (x3)  
You know what I like (Yeah)

### VERSE 1

It's been about a month  
Since you done came around (x3)  
(Eh)  
And all we've yet to do  
Is give the run around (x3)  
(Yeah)  
See I like you and you like me  
That's why we act like we're enemies.  
Still I can't be the first to let my gaurd down  
(No Way)  
So let me hear you say

### CHORUS x2

### VERSE 2

See if we were to date  
I'd take you on the town (x3)  
(For sure)  
And I'd always keep you close  
Even when I'm out of town (x3)  
(On tour)  
If I like you and you like me  
Then we shouldn't have to speak hypothetically  
Still I can't be the first to let my guard down  
(No way)  
So let me hear you say

### CHORUS x2

### BRIDGE

You know what I (x8)  
Girl don't you see  
What I'm trying to say?  
If we have each other  
Nothing can get in our way.  
I'ma go against my word

And go out on a limb for you  
Cause I'm convinced that you deserve two...

CHORUS x4

Just give me two thumbs up!
