I am that passanger looking at you
I am that snowflake in the blue
When I'm alone we are together
Guess that's better, I will lose you when we meet

You are the lesson I don't want to learn
I am a mess and so I turn
Driving my open car so much to far to see you
I've got leather seats for two
But only pictures of you

I run beneath my moon
I do, I'm in love
You set me on a cruise
With holes in my shoes cause I'm in love with you

I can't keep on the ground
I'm bound, I'm in love
I'm certainly a fool in all that I do
Cause I'm in love with you

I am that passanger looking at you
I am the last man in the cue
When I'm alone we are togehter
Guess that's better
I've got ready sheets for two
But only pictures of you

I run beneath my moon
I do, I'm in love
You set me on a cruise
With holes in my shoes cause I'm in love with you

I can't keep on the ground
I'm bound, I'm in love
I'm certainly a fool in all that I do
Cause I'm in love with you

I run beneath my moon
I do, I'm in love
You set me on a cruise

With holes in my shoes cause I'm in love with you

I can't keep on the ground

I'm bound, I'm in love

I'm certainly a fool in all that I do

Cause I'm in love with you
