Hey I see a killer come my way  
A killer asking me to play  
Who are you, are you love?

I find myself following you  
Don't know why but I just do  
Who are you, are you love?

I was dancing like a heathen  
Running with the city rats  
I didn't know you were about to come  
To raise my steaming fever

Dancing like a heathen  
Running with the city rats  
I didn't know you were about to come  
To raise my steaming fever

Hey don't understand how you can make  
My heart beat faster every day  
Who are you, are you love?

The night is beating and I'm so  
Into the fever that is you  
Who are you, are you love?

I was dancing like a heathen  
Running with the city rats  
I didn't know you were about to come  
To raise my steaming fever

Dancing like a heathen  
Running with the city rats  
I didn't know you were about to come  
To raise my steaming fever

I was dancing like a heathen  
Running with the city rats  
I didn't know you were about to come  
To raise my steaming fever

Dancing like a heathen  
Running with the city rats  
I didn't know you were about to come  
To raise my steaming fever
