If I dive into things too deep
Getting lost in my melodies
Would you hold me above
And suckerpunch all the ghosts of love

All those nights are ours to keep
Though we're done we refuse to sleep
We'll show the world what we're made of
Kicking out all the ghosts of love
And taste it all

Let's play forever
Our love is a dance
And we're so good

Let's play forever
Our love is a dance
And we're so good

And if I'm so serious
Like it's almost drowning us
Would you hold me above
And suckerpunch all the ghosts of love

And when all our money is burned
And reality returned
We'll show the world what we're made of
Kicking out all the ghosts of love
And taste it all

Let's play forever
Our love is a dance
And we're so good

Let's play forever
Our love is a dance
And we're so good

Let's play forever
Our love is a dance
And we're so good
