aaaaahaha

hey (hey)

It's time to move on
It's time to get out
I'm gone tomorrow
Cause I'm bigger I'm so much bigger

Packy Packy
I have nothing to pack, no
And there's no turning
There is no turning back
Cause I'm bigger

Chorus:
aaaaahaha

I'm gonna dance
Where the different
Kicks my butt around

aaaahaha

Cause I got some plans where the
Difference kicks my butt around

It's time to move on it's time to get out
I'm gone tomorrow
Cause I'm bigger I'm so much bigger
Wakie wakie I got stones in my hands
But I can crush them I can crush them into sand
Cause I'm bigger

Chorus:
aaaaahaha

I'm gonna dance
Where the different
Kicks my butt around

aaaahaha

Cause I got some plans where the
Difference kicks my butt around

hey (hey)

aaaahaha
Come on

I'm gonna dance
Where the different
Kicks my butt around

aaaaahaha

Cause I got some plans where the
Difference kicks my butt around

aaaaahaha
