

Mo, The "Krakow Love"

I'm running with beauty as company
The lights are a-low where I run with you,
Krakow love
We're drinking 'til the moon says
Oh, you should see yourself,
And then he tells
Run to the east of town
There are cheap hotels
Take good care

I got to leave a note for her
Got to find the words to shout
In the whole of the summer,
Aay aay aayaay
Got to leave a note for her
Got to find the words to shout
In the whole of the summer,
Aay aay aayaay

Nothing on suits her, I gotta say
And I am amused by your every way,
Krakow love
We're sleeping 'til the sun says
Oh, take a look at this, and then a kiss
I'm wishing the whole of you
And the summer too
If you dare

I got to leave a note for her
Got to find the words to shout
In the whole of the summer
Aay aay aayaay
Got to leave a note for her
Got to find the words to shout
In the whole of the summer, right
Aay aay aayaay

(Mo), (mo), (mo), (mo)go, (mo)go, (mo)
oohooohoooh!

Getting the whole

Getting the whole, on the summer
Getting the whole
Getting the whole, on the summer, aaayaaa
