A town of animals, animals are mad
It's all a mess and the temptation is bad
It's just like a zoo aj-aj a...

The night is calling, it's falling in the hood
The tasty legs of love look so good
Let's follow the crew aj-aj a...

It's
all of the madness
Gathered in a hole
Can't you see the fantasy's true aj-aj a...
All of the madness
Danger for the soul
Dirty girls it's a world of man dressed animals

The city's waking up, dancing has begun
It's all a mess but the frustration is gone
It's just like a zoo aj-aj a...

The curtain's falling they're calling for the show
They know the night of love is about to blow
Let's follow the crew aj-aj a...

It's
all of the madness
Gathered in a hole
Can't you see the fantasy's true aj-aj a...
All of the madness
Danger for the soul
Dirty girls it's a world of man dressed animals

It's
