

## Mo, The "Rats On The Radio"

A van on a motorway  
With a band that is supposed to play  
Determined to hold the course  
A perfectly welded force  
The Mo of course

Restless for the most  
Longing for the shows  
There's no turning back  
Can't you see that

The rats on the radio  
The rats that you call The Mo  
Have been waiting for a long, long time  
To make it to your home town

Restless for the most  
Longing for the shows  
There's no turning back  
Bring a heart attack

A band leaving a motel  
Awake or not you can't tell  
They're stumbling into a van  
To follow a long shot plan  
To raise that hand

Restless for the most  
Longing for the shows  
There's no turning back  
Can't you see that

The rats on the radio  
The rats that you call The Mo  
Have been waiting for a long, long time  
To make it to your home town

Restless for the most  
Longing for the shows  
There's no turning back  
Bring a heart attack

The rats on the radio  
The rats that you call The Mo  
Have been waiting for a long, long time  
To make it to your home town

Restless for the most  
Longing for the shows  
There's no turning back  
Bring a heart attack
