Short black dress falls
off her shoulders
we're on top of the world
the evening airs intoxicating
we're on top of the world

We're on top of it!
We're on top of it!

Drink away
drown away problems
just move on
Drink away
drown away problems
just move on

All you can swallow is still jsut a mouthful.

Ready?
let's take our time
lay out her insides
Ready?
let's take our time
lay out her insides
Ready?
let's take our time
lay out her insides

Ready?
let's take our time
lay out her insides

One cut from this knife
and we'll bleed out our insides

Your eyes gut me
like the, sharpest of knives
Your eyes gut me
like the, sharpest of knives
Your eyes gut me
like the, sharpest of knives
Your eyes gut me

like the, sharpest of knives

You looked so much better then
You looked so much better then
You looked so much better then
You looked so much better then

Woo!
