Well, open your eyes girl, look at me  
Im gonna show you how it ought to be

Were gonna?have a good thing  
Such a good thing baby

And when your world dont seem just right  
And lifes gettin?you uptight  
You can change that wrong to right (wrong to right)  
Cause I was there myself last night (there last night)

Girl, I really had a good thing  
Such a good thing baby  
I, I, I wont have no one now  
No one around, to bring you down  
Well... groovy world, girl  
Let me bring you to a good, good, good, good thing

They dont care if you live or die  
Cause their losers, what a shame (what a shame)

Such a good thing, baby

I wont tell you no,no, no lies  
When Im through, youll realize

Im gonna stay right here tonight (stay tonight)

Girl, well really have a good thing  
Such a good thing, baby

Nobody, no one around, to bring you down  
Well... groovy world, girl  
Let me bring you to a good, good, good, good thing
