I HAD A DREAM

Paul Revere and The Raiders

I had a dream  
I had a dream  
Had myself a dream today  
The same one  
Havin' it most every day now  
Since you been gone  
Wake up in the mornin' and I find  
You're not in my room  
You're in my mind  
Suddenly the sun has lost its shine  
Baby, baby, baby  
I had a dream  
I had a dream

I had a dream  
I had a dream  
Had myself a dream tonight  
The same one  
Havin' it most every day now  
Since you been gone  
All alone upon a mountain high  
Lookin' at your pictures in the sky  
Turned around and looked into your eyes  
Baby, baby, baby  
I had a dream  
I had a dream
