[Intro]

A the gal them international dj comin'

Through, so yow!

Respect due all the man

Them inna the street but the gal inna me fleet

[Chorus]

Woman you physique concrete

Can't delete you fat

Because you buff up complete

24 hours seven days of the week

Want you listen to me voice when it come true the
speaker

Move 'pon you feet

[X2]

[Verse 1]

Well I got to give thanks and praises

Fel the gal them

Fel the gal them lingerie laces

Fel the gal them quietest of faces

We take them out to hype places

And take them back to we bases

Because we wet them oasis

Wet them oasis me go so

A Sean Paul we biggin' up the gal them

Design

we mark them out o'ten who gave

The biggest design

Me seek and me find which one ago be mine

Sent from above you know them well define

[Chorus]

Woman you physique concrete

Can't delete you fat

Because you buff up complete

24 hours seven days of the week

Want you listen to me voice when it come true the
speaker

Move 'pon you feet

[X2]

[Verse 2]

So what is the hold up

You want your body control up

Den come and jump on me pole up

Is why you acting so cold up

Hold on make me stone up

And tiger bone up and roll up

And get me sittin' well grown up

And den you started to monk up

Catch it woman you know you got the body

Man a watch it

And everytime you pass 'pon the road

You a flash it

A so we get fi know say that you physically fit

You too legit to quit

[Chorus]

Woman you physique concrete

Can't delete you fat

Because you buff up complete

24 hours seven days of the week

Want you listen to me voice when it come true the
speaker

Move 'pon you feet

[X2]

[Repeat all]
