Matta how dem gal ya want flex like harlot

Couldn't matta how dem gal ya wan run come tek set

Woman ye know ye naffi mek no check

Matta how dem gal ya want flex like harlot

Couldn't matta how dem gal ya wan run come tek set

Woman ye know ye done copperset

Cause a you run the district

Ye move like electric

And nuff gal a try trick up ye man an mek him exit

But ye still a benefit becau ye rallyback with

Dem can't tek a thing because a you got the permit

In any case gal ye dunn run the place

If she show up her face then she gwain get erased

She a petty case up inna the one slap race

An ye dunn know already sey ye control the place
