[Verse 2]

We block it and rock it and make them just can't forgot

Then want fi copycat it but we a top a top it

Them no want fi see we clock it neither fi see we chop it

Them use it and fuse that a de history of we music

When we fan them a choose it should never let them  
abuse it

Them a try fi confuse it like them want fi lose it

But all weh them a gwaan we still deh ya boost it

Just turn up the treble and the bass make it play

Party non-stop from a night till day

And no matter weh the hypocrite and critic them a say

Reggae music deh ya fi stay

Weh me go so then

[Chorus]

Cho

Me want fi hear you shout shout shout

From you love the lyrics coming out me mouth mouth  
mouth

No doubt we got the street respect

And you know say that it never counterfeit yet

Vibes weh you get
