I got bored, when I heard you on the radio show  
I got bored, when I listen to your voice on the air  
With nothing to say in a stupid voice  
The music's on the radio is all the same  
Every new song's like the old one, but even worse!

Don't you know I'm so bored with you  
Don't you know I'm bored  
Tell me something new  
Same old music

I got bored, when I saw you on the TV tonight  
I got bored, when your face was in my living room  
Every movie's so predictable, you know the end  
And all those fools in reality shows  
They talk and talk and talk with nothing to say that's  
real to me

Same old movie

Leaders of the world  
They talk and talk  
Leaders of the west  
I can't see the point

And the government man with his pretty words  
Just another fraud in the same old story  
But a brand new movie and a brand new song, but  
even worse!

Same old story
