It's not all right to be a bastard  
Just because your skin's in favour  
It doesn't matter who you are  
If you live in a palace or hand to mouth  
When the ship is going down

You could be black or white  
Red or blue  
It doesn't matter who you are  
It's what you do!

Am I wrong to say we're equal?  
Am I insane to think we're the same?  
I don't think so!  
Cause all cats are grey in the dark

You could be black or white  
Red or blue  
It doesn't matter who you are  
It's what you do!

You should be blind
