Debby was the girl who lived next door  
I gave her all my love but she wanted more  
And marry me - Oh, that couldn't be  
Sally was a girl I never really knew  
But she wanted me to be another man  
That I couldn't be - Oh oh, that's not me

Well I could be wrong (I feel the pressure)  
I never wanted to be so strong (I feel the pressure  
coming on)

Betty was the one with real high heels  
She spanked my Willy with electric eels  
And still wanted more - So I took to the door

Well I could be wrong (I feel the pressure)  
I never wanted to be so strong (I feel the pressure  
coming on)

All the fine women I ever met  
They wanted me to be another man  
That I couldn't be - You see, that's not me

Well I could be wrong (I feel the pressure)  
I never wanted to be so strong (I feel the pressure  
coming on)
