"My Lucky Day"

Everyday has a yesterday, but today I felt okay
And I believed this was my lucky day, when I was
â€|on my wayâ€|

In my car, had to hurry up, Mr Johnson's promoting me
But I heard the sound of breaking bones
When Mr Johnson was under my car

It was just my luck
Just my luck, just my luck
It was my Lucky Dayâ€|

I left the Bus and was coming home, when I met my
wife at the door
She was leaving me for another man, who was
â€|my very best friendâ€|
So ends my Lucky Day
With dreams of yesterday
So ends every day
And I just have this to say:

It's just my luck
Just my luck, just my luck
It's my Lucky Dayâ€|
