Have you seen a mother, kiss her son goodbye?  
Have you seen a dark cloud, fight the silver line?  
I have seen a loved one, tell a million lies  
It's almost like a boomerang, whirling deep inside

They not know a thing about you  
You don't know a thing about me  
They not know a thing about me  
But if we're really free

We're alive  
Take a break  
We're alive  
Take a deep breath  
We're alive  
Take a break  
We're alive  
Take a deep breath  
We're alive

Put me on an airplane, let's fly up to the sky  
Help me laugh with angels who just wanna get me high  
Let's drive down this highway, leave our fears at home  
Let this twistin' and winding road decide which way we  
go

You don't know a thing about me  
I don't know a thing about you  
You don't know a thing about me  
But let's enjoy the view

We're alive  
Take a break  
We're alive  
Take a deep breath  
We're alive  
Take a break  
We're alive  
Take a deep breath

Don't take yourself too seriously

Don't lie for the mystery  
We may wear different clothes  
Pray to God in different robes  
But we're not alone  
We're alive

We're alive  
Take a break  
We're alive  
Take a deep breath  
We're alive  
We're alive  
We're alive yeah  
We're alive  
We're alive  
We're alive  
Take a deep breath  
Take a deep breath  
Take a deep breath  
Take a deep breath
