[Chamillionaire]

Oooh-ooooh-oooh-oo-oooh

Just believe, something real freaky's going down

Oooh-ooooh-oooh-oo-oooh

Take a sip of this, and just let it relax your mind

Oooh-ooooh-oooh-oo-oooh

Please do not disturb, on the door you see that sign

[Hook]

Oooh-ooooh-oooh, I'm really feeling you

If you can keep a secret, then I'll keep a secret too

And this is what we'll do I'll, be your number two

I can let you feel on me, if you just let me feel on you

Oooh-ooooh-oooh, I know you got a man

Your undercover lover, I can be your back up plan

And we can just pretend we're, nothing more than
friends

The sex will never end, that way everybody wins

[Chamillionaire]

Their dorms their college, their brains share
knowledge

I tip toe through the back do', and no one gon hear
about it

And if your boo try to search you, in any clue get
spotted

I hope the lipstick, that is smeared on your top lip is not
it

Naw we don't sip Hypnotic, we sipping Henny and some
Crimevicts

So take a sip of this, and just let it relax your mind
Your body's calling me informing me, that you're
freakier than normally

Birthday suit has been worn for me, latex condom put
on for me

Protection in the briefcaser, plenty of lead with no
eraser

Trojan Man gotta be safer, ladies that plot for my treat
paper

Watching a man while he chase her, trying to figuer out
whether she faithful

But the minute that he takes her, break them C-H-I-C
taker
He running round like he gangsta, don't think your girl
can't get lead
To the edge of the bedspread, hungry for sex she can
get fed
Spread her legs or get fed head, she's wearing that
yellow pink thong
She's got her wedding ring on, but it still never seems
wrong, Koopa

[Hook]

[Chamillionaire]
See getting money's like sex, and I'm having a manage
G
Gold diggers can't F' with me, like I'm having a
manage me
A hoe see the ice and she start tripping, like your broad
can't skeet
Koopa get a hot steamy ain't creamy, but uh-naw it ain't
T
If it's her first time with me, she'll do her thang like she
knew me
Can't stand a booshie hoe, a booshie hoe can't enthuse
me or amuse me
Can't stand a groupie, cause a groupie's purpose is
usually to use me
They usually hop on the next dick, when they see 50
Cent or Juve
Who he that's Koopa, but he look like 50 Cent oh yeah
Well G-G-G-G-ge-ge-ge-get the hell out of here yeah
If this ain't just about the sex, don't waste your time
Money jewelry and fame, should be the last thing on
your mind
You steady trying to be like them, Chamillion trying to
be like Ben Franklin
Cause a girl that I think is feeling me, say she like him
aaah
Don't worry naw, Koopa not disappointed
I look to' as the do', stick my finger out like this and
point it
Leave, with me it's a ghetto version of Girls Gone Wild
Niggas probably heard our sound, gotta use a very
large towel
To stick under the do' she's moaning, trying to wake up
any sleep takers
Screaming obscenities at me, she got a foul mouth like
she T. Draper
Sheet shaker heat maker, wanna be down then I
replace her

Cameras'll get your cart I'm smart, you will not ever see
the taper
What we did let me lace ya, up in some game while she
take a
Sip of the Henny or a skeet taste of, some of this Rum
minus the chaser yeah

[Hook]

[Chamillionaire]

I got some Henn got some Crime, got some Remmy
and it's time
To take a sip of this, and just let it relax your mind
Your body is so fine, girl I'm peeping your design
Somehow it feels right, tell me how can I decline
Please do not disturb on that door, you see that sign
There'll be no interrupting, something freaky on my
mind
Sipping going doo-own, stripping going doo-own
She know what's on my mii-ind, I'm ready to bump and
grii-ind
Oooh-ooooh-ooo-oooh, oooh-ooooh-oooh-ooooh
Oooh-ooooh-ooo-oooh, oooh-ooooh-oooh-ooooh

[Devin the Dude]

Your man use to fuck you down, but now he's slacked
up
She's running all over town, I think he's gonna need
back up
I'll be your relief pitcher, dick up in your mitt
There's no cork off in my bat, so it's somewhat illegal
hit
Boom over the fence, rinse off my balls when I'm
finished
Yes she's probably a good sport, but he's got you
playing tennis
Running after balls, dodging all your calls
You're horny wanna grind him, but you just can't find
him
So here's what you do, call 832-567
You remember the rest, just ask for Devin
Yes I'll come quick, but not too soon
Leaving nutty rubbers, all over the room
Don't forget to bring the pill, the dress I like and high
heels
Some extra panties if you will, we can chill
I'll never wanna come between you and him,
understand
But if you ever need a back up plan, I'm your man
