I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na na

I've got a little something for you, I've got a little  
something for you  
Ain't that thoughtful of me  
You know I've been wanting, I've been really wanting  
To give this to you

I've got a little something for you  
And I'll give you just three guesses to figure out just  
what it is  
'Cause I've been holding back so long and my love  
rolling strong  
So take this tag, tear it off your wrap  
'Cause the gift that I got ain't going back

I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na na (Baby you know that I adore  
you)  
I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na na (Yes I have)

You deserve something special  
And most of all, something from me  
It's the kind of gift, that you & I enjoy  
It's a gift that says that you are on my mind

I've got a little something for you  
And I'll give you just three guesses to figure out just  
what it is  
'Cause I've been holding back so long and my love  
rolling strong  
So take this tag, tear it off your wrap  
'Cause the gift that I got ain't going back

I've got a little something for you (I've got a little  
something for you)

Na na na na na na na na (Baby you know that I adore  
you)  
I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na (Yes I have)

I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na

I got a little somethin's what I got, let's take a slow ride  
Maybe then go honey's kickin'  
It's love she's inflictin', it's mentally addictin'  
Addicted to the love a lady that is so fine  
Wanna know my secret? Then you gotta get mine,  
really gotta get mine  
Son, over lover, mista lova man is here with a little  
somethin' for ya  
(Na na na) No I don't think so, let's take a long ride, girl  
don't let go  
(Na na na) Mmmm, I don't think so, let's take a long  
ride, girl don't let go  
(Na na na) Yeah, you betta ask somebody

I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na (Baby you know that I adore  
you)  
I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na (Yes I have)

I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na (Baby you know that I adore  
you)  
I've got a little something for you (I've got a little  
something for you)  
Na na na na na na na na (Yes I have)

I've got a little something for you (For you for you for  
you)...
