Welllll - Well it's the Big Show
Yes it's a big bad show tonight - (Wow)
Yeah it's the Big Show
Come on - Crank it all up and turn on all the lights - yall
Well if your ready for something
Cause you never know
You wont see it comin
But I promise you know
The Big Show

Well it's the Big Show
Yes its a big bad show tonight - (Wow)
Yeah it's the Big Show
Come on - Crank it all up and turn on all the lights - yall
Well if your ready for something
Cause you never know
You wont see it comin
But I promise you know
The Big Show

Well it's the Big Show
Yes its a big bad show tonight - (Wow)
Yeah it's the Big Show
Come on - Crank it all up and turn on all the lights - yall
Well if your ready for something
Cause you never know
You wont see it comin
But I promise you know
The Big Show

Well it's the Big Show
Yes its a big bad show tonight - (Wow)
