so bitsy bitsy baby flossy bossy bet i do it right
got my whole crew with me (Ladies) top down not a
cloud up in

steppin up my spark and my shades lookin way to
stunna,
steppin up my spark
and u know i gots to keep it 100 (stunned out)
feel up from head to toe in the spot or at the show
(stunned out)
feelin' like a million when we step up in the building

slippin' off my

watchin')

so bitsy bitsy baby flossy bossy bet i do it right

got my whole crew with me (Ladies) top down not a
cloud up in the sky
steppin up my spark and my shades lookin way to
stunna

feel up from head to toe in the spot or at the show
