Wanna dance? Under the sunshine
Hand in hand!
Wanna dance? On a special day
Carnival day!
Wanna dance? Happy music playing
Clap your hands
Wanna dance? Everyone, come on!
On to the next! (Go!)

Who will be the luckiest guy in town
To dance with that carnival queen?

Shall we dance? Lalala...
Form a ring!
Care to dance? Lalala...
Hand in hand!

Macho guys "Wooo!"
Gorgeous guys "Yeah!"
Hard workers "Here!"
And Intelligentsia "Yep!"
Sure you are very attractive
But to be my date
Please!
You've got to be a dancer!
"I can dance!" "That's me!"
"Hey, I can dance!" "I'm the one"

Wanna dance? Under the sunshine
Hand in hand!
Wanna dance? On a special day
Carnival day!
Wanna dance? Happy music playing
Clap your hands
The world is a happy place
Carnival day!
Hand in hand!
On to the next! (Go!)
