Lazy confessions  
Crazy intentions  
Scratching unwilling  
Sports cars are thrilling  
I like potatoes  
I don't like tomatoes  
I'm goin' fishin'  
Cos' I'm on a mission

I wanna live for today  
I wanna roll in the hay  
But I'm floating away  
I got nothing to say

It makes me slappy  
To walk like your pappy  
I need to improvise  
Just lookin' at the pies  
Boohoo I'm dying  
Ravenous sighing  
I think you're pretty  
My shrink says I'm witty

I wanna live for today  
I wanna roll in the hay  
But I'm floating away  
I got nothing to say

But I'm floating away  
I got nothing to say
