[Verse 1]

When I found out about you
I wanted to go on without you
I was as close as I could get
I was just about to forget

[Bridge 1]

But I,
I found something inside
Something I tried to hide
But it's too late now
I just don't know how
I can forget about the tears I've cried

[[Chorus]]

Why do I still, Dream about you
Why do I still, Think about you
Why do I still, Lie awake at night
Thinking about your sweet smile
Why do I still love you
Every once in a while

[Verse 2]

I thought I didn't need you
I knew I couldn't see you
And I couldn't stay that way
So I pushed you away

[Bridge 2]

But I,
I found out something new
That I still live for you
But it's too late now
I just don't know how
Without you I just can't pull through

[[Repeat Chorus]]

[Bridge 3]

I know I shouldn't love you
You can only bring me pain

But now I can't rise above you
I don't see any other way

[[Repeat Chorus]]
