Baby, I cant live without you
Cause you make me who I wanna be
If I went one day without you
I know just wouldn't be me

So come with me baby
Come and make me crazy, Ohh

Wouldn't it be
The perfect crime
If I stole your heart
And you stole mine
Just say the word
We'll leave today
Come take me hand
And we'll fly away

Baby, I'll be yours forever
If that's what you want me to be
Baby, we just fit together
If you're the lock, darling, I am the key

So come with me baby
Come and make me crazy, Yeah

Wouldn't it be
The perfect crime
If I stole your heart
And you stole mine
Just say the word
We'll leave today
Come take me hand
And we'll fly away

We'll stay up all night
Lets dance 'til the daylight

Wouldn't it be
The perfect crime
If I stole your heart
And you stole mine

Just say the word
We'll leave today
Come take me hand
And we'll fly away
