I can't take this job  
My boss is a jerk  
Can't take one more minute  
Lis'ning to the boss shout  
Not one more pitch  
Not one more swing  
Cause I've got two strikes  
One more and I'm out

All of this stuff  
That I have to do  
Is just too much  
With what I'm going through  
Don't know what to do  
Don't know what to say  
Just can't take no more  
Not one more day

Not one more word  
Don't say a thing  
Not one more sound  
Must escape from your lips  
Not one more move  
Not one more thought  
I'm breaking down  
And losing my grip

'Cause all of this stuff  
That I have to do  
Is just too much  
With what I'm going through  
Don't know what to do  
Don't know what to say  
Just can't take no more  
Not one more day

I just gotta relax  
Lay back and unwind  
Get all of this stress  
Off of my mind  
But ev'ry time I try

To let it all out  
My thoughts start to wander  
And I think about

All of this stuff  
That I have to do  
It's just too much  
With what I'm going through  
Don't know what to do  
Don't know what to say  
Just can't take no more  
Not one more day
