[Verse 1]

Sometimes, I lose focus  
I stop thinking bout what's going on  
Sometimes, I get a little  
Distracted from what's going on

When that happens, my friends say  
"Hey, girl, tell us what's wrong"  
But I know, that I can't  
Cause this feeling I'm feeling is much too strong

[[Chorus]]

There's nothing I can say to make them understand  
About this kinda love  
There's just no way to get the feeling across  
It's you I'm thinking of

I try to say what's on my mind  
Cause I just can't explain  
I get this feeling every time  
There's nothing I can say

[Verse2]

When I see, you standing  
Right there looking just like that  
My mind, goes crazy  
And I forget where I'm at

You smile, at me  
I fall into you deep blue eyes  
My heart, has wings  
Can't you see how high it flies?

[[Repeat Chorus]]

[Bridge]

Baby, tell me  
This is real  
It must be fantasy  
The way I feel

[[Repeat Chorus]]
