Dustin' off your tomb stone  
Raise some hell tonight  
Got a fifth of J.D.  
And the moon is shining bright  
I remember old friends  
The way life used to be  
Standing tall with the wildest soldiers  
Where no memories

Bring my Dead Friends out tonight  
Cause I sure am raising hell  
Bring my Dead Friends out tonight  
Cause I sure am raising hell

Listed missy and her kissy lies  
Cat of nine tails now  
Get on the back and hold on tight  
I'm gonna take you to hell  
I remember old friends  
The way life used to be  
Standing tall with the wildest soldiers  
Where no memories

Bring my Dead Friends out tonight  
Cause I sure am raising hell  
Bring my Dead Friends out tonight  
Cause I sure am raising hell

One last trip to now where  
Under the skys tonight  
Riding high with the wildest demands  
Monn is shinning bright  
I remember old friends  
The way life used to be  
Standing tall with the wildest soldiers  
Where no memories

Bring my Dead Friends out tonight  
Cause I sure am raising hell  
Bring my Dead Friends out tonight  
Cause I sure am raising hell
